Citysearch Editorial Profile -- By Neha Shah

Vibrant seafood restaurant with a lively atmosphere and extensive menu.

Editorial Rating: Not Rated

In Short

Dishes range from basics like tortas, tacos, tostadas to rare finds such as octopus at this bright and cheerful Mexican restaurant. The menu also offers mussels, shrimp, oysters and other coastal delicacies, all served in generous portions. The very hungry (and ambitious) can squash any indecisiveness by choosing from the Parrillada Vallarta, Azteca or Botanas Vallarta, which come with lots of seafood items and sides. The tortillas are homemade and the drinks are creatively concocted.
