Editorial Review for Wardrobe – by Neha Shah

In Short

This roomy, airy shop with gloriously good lighting gives girls and guys ideas for mixing and matching new get-ups. Some of "Dawson's Creek's" hippest clothes were purchased here. Depending on your mood, you, too, can find a subtle or daring outfit among the racks. Friendly staff members will help you sift through the many lines, including DKNY and French Connection, featured in the store. Jewelry and purses enhance the final touches to the perfect ensemble.
